

Certificate of Commendation

is hereby presented to

Jim Burton

EcoKai

The City of Los Angeles proudly commends you for your dedication to environmental protection and rehabilitation, as evidenced by your heroic work in and around the Ballona Wetlands Freshwater Marsh. The impact that you and your crews have had on the area cannot be understated: you have singlehandedly helped protect the wildlife in this area for the past year. Thank you, Jim, for all you do across the Country. Los Angeles is incredibly fortunate to be a beneficiary of your services.
